### History and Progress

Blue Earth's Giant Park & Playground committee, established in 2023, is a local, nonprofit group of volunteers whose goal is to provide the community with an exciting, fun atmosphere for kids of all ages and abilities.

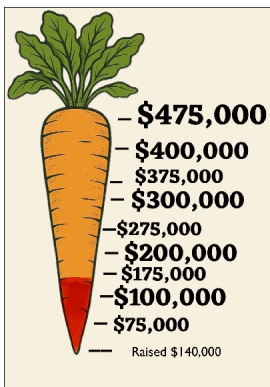

After careful thought and consideration, designs emerged for an all-inclusive playground, featuring a one-of-a-kind, vegetable themed park of custom-built structures, including slides, climbing walls and more. Plus, a soft, cushioned flooring which will keep kids safe while they play.

The Giant Park & Playground will feature interactive elements which will keep children engaged and entertained. It will also accommodate children of all abilities and ensure that all children can play together, regardless of their physical or cognitive capacities. It will be located near the Giant Welcome Center and the 60-foot Giant Statue.

We think GIANT in this area. Not only will this park and playground bring enjoyment and recreation to local families, it will benefit all of Faribault County as a new 'go-to' tourist attraction.

## We need your help ...

**This project is totally funded by individual donations, fundraisers and financial grants.**

Can you help us meet our initial goal of \$475,000.00 for the purchase of the playground equipment? After the playground equipment is purchased, we will be raising additional funds for Phase II of the project, which is the actual construction cost of the playground.

To-date we have raised approximately \$150,000.00. We have a long way to go, but along with your contribution we look forward to meeting our goals. All contributions are tax-deductible.

### For more information ...

Stop by the Blue Earth Area Chamber office (1134 Giant Drive, Blue Earth, MN) to find out more or give them a call at 507-526-2916.

We're on our way,  
but have much more to raise.

We are a local group of volunteers dedicated to making a difference in the community. We are raising funds to erect an all-inclusive playground. This project is totally funded by individual donations and various grant programs. All donations are tax-deductible.

Any amount given is greatly appreciated.
